(u) My memorandum dated 4-20-61 advised of efforts of Raul Chibas of the MRP to get in touch with Manuel Ray, leader of the MRP and of the fact that the CIA requested to be advised where Chibas could be located if he came to Washington. (u)

Supervisor Morgan, WFO, advised on 4-21-61 that WF [1161]-S had advised during the late evening of 4-20-61 that Manuel Ray had gotten in touch with Chibas before the latter left Miami to come to Washington and, therefore, this matter was all handled. Chibas will not be coming to Washington. Although CIA is undoubtedly aware of this, Liaison Agent Papich is advising them of this fact. (u)
